TECHNICAL SPECIFICATIONS

ALL PLASTIC SACKHOLDER

25-65L

FEATURES

- These commercial sackholders are made from 100% plastic, as are all parts, bolts and fixings, so they can be washed down with anti-bacterial detergents to keep germs and bugs at bay.
- For hands-free disposal, they feature an integrated foot pedal, and to ensure any spillages are dealt with efficiently, they feature a deep bottom tray to catch any liquid waste.

SPECIFICATIONS

- Available in 30ltr, 45ltr and 65ltr Sizes.
- Passes all NHS Fire Standard Tests.
- Equipped with Wheels and Handle for Manoeuvrability.
- Pedal Operated for Hands-Free Disposal.
- Bottom Tray for Spillages.
