TECHNICAL SPECIFICATIONS

APOLLO DOG WASTE BIN **25L**

FEATURES

- Weather-resistant receptacle with a 25 litre capacity and a sturdy lift-up lid that closes securely after every use to keep unpleasant odours at bay.
- Ideal for public parks, beach fronts, and any popular dog walking areas, it is recyclable at end of life, and finished in bright red so that it is easy to spot, even from a distance.
- Suitable for wall or post mounting, the Apollo Dog Waste Bin can be secured to virtually any flush surface.
- Comes complete with a removable plastic liner, it is easy to empty and simple to clean with regular anti-bacterial detergents.

SPECIFICATIONS
