BRABANTIA FLATBACK PEDAL BIN

30&40L

FEATURES

- Manufactured from premium quality matt stainless steel and finished with a fingerprint proof coating to prevent grubby hand prints and retain its smooth highly polished shine.
- A fabulous choice for modern kitchens, the Brabantia FlatBack Pedal Bin is available in both 30 and 40 litre options, and it is equipped with a unique soft belt handle to prevent damaged when placed up against flush wall surfaces and kitchen cabinets.
- Supplied with a plastic inner liner to make emptying and cleaning a breeze, it has a soft closing lid, an integrated foot pedal for hands-free disposal, and a contemporary design that will never date or go out of style.
