BRABANTIA TOUCH BIN

30L

FEATURES

- A modern rubbish receptacle with a silent lid, a soft-close mechanism, and protective base rim to improve stability and protect against floor damage.
- Available in a stainless steel stylish finish, the Brabantia Touch Bin will complement all modern kitchen designs, and as it has a diameter of just 295mm, it is the perfect choice for homeowners with limited floor space.
- Equipped with a plastic inner liner to facilitate cleaning and bag changing.

SPECIFICATIONS

- Brabantia Designer Kitchen Bin.
- Plastic Inner Liner.
- Protective Base Rim.
