BRABANTIA TOUCH BIN

40L

FEATURES

- Manufactured from the finest stainless steel, it features a silent lid that opens and closes with the touch of a finger, a plastic inner liner to facilitate cleaning and emptying, and a protective base rim to protect against floor damage.
- Available in three stylish finishes to complement every interior design project, the Brabantia Touch Bin has a unique semi-circular design that allows it to be positioned against any flush surface, be it a wall, a kitchen cupboard, or a desk, and it has a generous capacity of 40 litres.

SPECIFICATIONS
