TECHNICAL SPECIFICATIONS

C-BIN TRIPLE RECYCLING BIN **180&240L**

FEATURES

- Available in 180-litre and 240-litre options, it is the perfect choice for schools, retail outlets, business premises, and commercial centres, and ideal for separating different types of waste.
- Made from durable materials, it features galvanised steel framework, three removable bases in silver or transparent plastic, and you can customise it with three separate waste streams.
- Each lid features colour-coded recycling graphics and a specific aperture to suit each type of waste.

SPECIFICATIONS

- Includes 3 individual streams for separating different types of waste.
- Single hinged lid with 3 apertures.
- Bases available in silver or transparent plastic (or a mix of both).
- Customise with the recycling apertures of your choice.
