CARBON FINISH PEDAL BIN

40L

FEATURES

- Made from high-quality polypropylene, durable plastic with a metallic finish, it is rust, dent, and water-resistant, and it has fingerprint-proof technology to keep the surface spotlessly clean.
- With a total capacity of 40-litres, the Paso Carbon Pedal Bin is ideal for family kitchens, schools, offices, and workshops.
- It features an innovative 180° foot pedal for hands-free use, and it has a soft-closing lid for silent operation. On the inside, a bag retention holder adds the finishing touch to this designer kitchen bin.
