CARRO KICK WITH PUSH LID

50L

FEATURES

- Manufactured from the finest quality fire-resistant materials, it is available in non-corrosive aluminium or stainless steel, both of which are suitable for heavy-duty use.
- Equipped with a self-closing push lid with a soft-closing mechanism to ensure it closes swiftly and silently after every use, the Carro Kick Bin is the perfect choice for hygiene sensitive areas where rubbish and waste is collected.

SPECIFICATIONS

- Powder Coated Aluminium or Stainless Steel.
- Self-Closing Push Lid.
- Fire Resistant.
- Hardwearing.
