CARRO SWING

# 55L

## FEATURES

- Manufactured from commercial grade, non-corrosive aluminium, it features a lift-off lid with swing aperture, and a robust base with a generous capacity of 55 litres.
- Available in black, blue, white and stainless steel, the Carro 55 Litre Swing Bin will complement all modern interiors, and as it requires virtually no maintenance, it is a great investment for both professional working environments and all food outlets.

## SPECIFICATIONS

- Carro Swing Bin.
- Manufactured from Commercial Grade Non-Corrosive Aluminium.
