CIRCULAR WALL MOUNTED ASHTRAY

0.5L

FEATURES

- Manufactured from galvanised epoxy steel, it is rust resistant, corrosion resilient, and fire retardant, making it a great investment for every outdoor location.
- Small enough to position outside of any office, hospital, public building, or business premises, yet large enough to collect up to 150 cigarette butts, this modern wall mounted ashtray is a great investment for any workplace. Available in black and red. Wall mounting kit included.

SPECIFICATIONS

- 0.5-litre capacity (approximately 150 cigarette butts).
- Rust, weather and fire resistant.
- Lid damper system.
- Available in black and red.
- Wall mounting kit included.
