CIRCULAR WALL MOUNTED ASHTRAY

1.5L

FEATURES

- Manufactured from galvanised epoxy steel, a rust, weather, and fire-resistant metal that is designed to retain its smart appearance after many years outside, it is perfect for positioning outside offices, hospitals, public buildings, and professional business environments.
- Available in black or red, this 1.5 Litre Circular Wall Mounted Ashtray is equipped with a lid damper system to ensure that all cigarettes are completely extinguished before falling into the receptacle, and it comes with a wall mounting kit.

SPECIFICATIONS

- 1.5-litre capacity (approximately 450 cigarette butts).
- Rust, weather and fire resistant.
- Lid damper system.
- Available in black and red.
- Wall mounting kit included.
