#### TECHNICAL SPECIFICATIONS

## COLOURED OUTDOOR PLASTIC DUSTBIN

# 110L

### FEATURES

- Ideal for collecting recyclables and general waste in high-traffic areas such as schools, shopping centre, and working environments.
- Industrial-strength bins feature handled lids with clasps to keep them firmly in place.
- Complement both urban and rural landscapes, and thanks to their robust design, you can use them in the most demanding environments to collect rubbish and recyclable waste.

### SPECIFICATIONS

- Heavy-duty plastic construction.
- Made from polypropylene.
- Suitable for indoor and outdoor use.
