EKO LUNA STEP BIN

3&5L

FEATURES

- Available to purchase as a 3 litre bin or a 5 litre bin, it is manufactured from matt stainless steel with the latest fingerprint-proof technology, and equipped with an innovative soft-closing lid mechanism to keep germs and bacteria at bay.
- On the inside, the EKO Luna Step Bin features a robust plastic inner liner, which can be removed for emptying and washed down with regular anti-bacterial detergents. A stylish addition to every kitchen, office and bathroom, this designer rubbish receptacle ticks all the right boxes.

SPECIFICATIONS
