**30L**

**30L**  
Capacity

Available in brushed stainless steel or  
powder-coated titanium blue

Fingerprint resistant

## TECHNICAL SPECIFICATIONS

## EKO EVA KITCHEN BIN

# 30L

### FEATURES

- Manufactured using fingerprint resistant brushed steel, these litter bins feature a soft closing lid mechanism featuring a stay open function to accommodate longer tasks.
- The EVA features a removable inner liner which contains a bin bag fixer to help prevent any messy overhang.

### SPECIFICATIONS

- Available in brushed stainless steel or powder-coated titanium blue.
- Stay open lid function with soft close.
- Robust foot pedal.
