# 30L

**30L**  
Capacity

Robust high quality brushed steel

Antibacterial coating

### TECHNICAL SPECIFICATIONS

## EKO X-CUBE PEDAL BIN

# 30L

### FEATURES

- The X-Cube has a removable inner liner to ensure bag changes are quick and easy and contains a bag holder function to allow the bags to be secure and rim looking tidy.
- The sleek, space-efficient design allows the bin to perfectly fit against a wall and not take up available floor space.

### SPECIFICATIONS

- Robust high quality brushed steel.
- Antibacterial coating.
- Removable internal liner.
- Durable pedal, tested to 100,000 times.
- Soft closing lid.
