FOX-PROOF KERBSIDE FOOD CADDY

23L

FEATURES

- This 23 Litre Kerbside Food Caddy is the perfect solution for food waste collection services in rural areas where unwanted visitors are a problem.
- The caddy features a unique locking mechanism, exclusive to these caddies meaning they are fox, pet and wild boar proof. Meaning you can leave your food waste caddy out for collection without coming out to your food waste all over the road.
- These caddies can withstand high winds and being knocked over without opening or becoming damaged thanks to their durable build quality.

SPECIFICATIONS

- Large 23L Capacity.
- Lockable lid.
- Durable, long-lasting build quality.
