

GALVANIZED STEEL DUST BIN
70L

70L
Capacity

Made from Galvanised Steel

Weather Resistant and Fire Retardant

TECHNICAL SPECIFICATIONS

GALVANIZED STEEL DUST BIN

70L

FEATURES

- Manufactured from heavy-duty galvanised steel, this classically styled rubbish receptacle is weather resistant, fire retardant, and it can withstand extreme temperatures and many common chemicals. Easy to clean and maintain, it features a lift-up lid, two integrated side handles, and a wide base for stability on uneven floor surfaces.

SPECIFICATIONS
