HAILO SOLID PEDAL BIN

3L

FEATURES

- Made from quality steel, with stainless steel and corrosion-resistant coated sheet steel options available, it is hardwearing, easy to clean, and it offers hygienic hands-free waste disposal thanks to its external pedal mechanism.
- The Hailo Solid 3-Litre Pedal Bin features a silent-closing lid with robust seal to keep unpleasant odours at bay, and it includes a removable liner to facilitate emptying. This compact cosmetics bin complements all interiors, making it a smart investment for every bathroom.

SPECIFICATIONS

- Hailo pedal bin.
- Stainless steel and corrosion-resistant coated sheet steel options available.
- External foot-pedal mechanism.
