## HEXAGONAL OPEN TOP LITTER BIN

# 84L

### FEATURES

- Offered in a choice of timeless colour options with smart gold beading, this premium quality outdoor litter bin is manufactured in Glass Reinforced Plastic (GRP) for enhanced weather resistance.
- To facilitate emptying and cleaning, this town centre rubbish bin is supplied with a removable galvanised inner liner, and it can be secured with the optional purchase of a lockable liner for use in areas where vandalism is an issue.

### SPECIFICATIONS

- Traditional textures.
- GRP composition.
- Removable liner.
