## HYGI-TOP SANITARY WASTE BIN **18L**

### FEATURES

- Designed for daily use in public bathrooms, changing facilities, and medical centres, it is available in matt stainless steel or powder-coated aluminium, and it can be wall mounted to save floor space.
- Fire resistant and non-corrosive, the Hygi-Top Sanitary Waste Bin is fitted with anti-skid feet for added stability on slippery floor surfaces, and it has a generous capacity of 18 litres to limit the amount of emptying each day.

### SPECIFICATIONS

- Hygienic Sanitary Bin.
- Available in white or matt stainless steel finish.
- Self-Closing Aperture.
- Anti-Skid Rubber Feet.
- Can be Wall Mounted.
