## LARGE GRP GRIT & SALT BIN

# 308L

### FEATURES

- Manufactured in the UK from glass-reinforced plastic, this durable winter salt container has an impressive total capacity of 308 litres and can accommodate up to 20 x 15kg sacks of salt or grit.
- Essential for high-traffic areas such as supermarkets, public car parks, schools, hospitals, and busy working environments where slipping hazards pose an issue, this heavy-duty grit bin is an investment for local authorities and councils. It can be secured with an optional locking system to prevent tampering, making it ideal for both city centres and rural applications.
