TECHNICAL SPECIFICATIONS

LIFT TOP RECYCLING BIN

48L

FEATURES

- Well-suited to offices, schools, and larger homes, that collect substantial amounts of recyclable waste.
- With its all-plastic construction, it is easy to clean, and thanks to its classic design, it complements all interiors and environments.
- Each bin comes with the recycling sticker of your choice and has a generous total capacity of 48 litres.
- Removable lid to aid emptying and cleaning, and slots firmly onto the top of the bin to hold the liner in place.

SPECIFICATIONS

- Solid plastic construction.
- Lift top lid with wide aperture for mess-free disposal.
- Lid secures bin liners in place.
- Available in black, red, yellow, green, and blue.
- Includes recycling sticker (12 options available).
