## METAL BIN WITH CIGARETTE ASHTRAY

# 30L

### FEATURES

- Crafted with convenience in mind, this ashtray is lightweight, allowing for easy placement and relocation as needed.
- Its versatile design makes it particularly suitable for various entrances, whether at residential buildings, commercial properties, or hospitality venues.
- The sleek, modern appearance of the aluminium lining not only enhances its visual appeal but also ensures it can withstand frequent use in high-traffic areas.

### Specifications

- Smooth surface easy to clean and maintain.
- Removable aluminium ashtray plate.
- Light and versatile.
