TECHNICAL SPECIFICATIONS

METAL WASTE BIN WITH PUSH LID

76L

FEATURES

- Available in 3 attractive colour options to complement every professional environment, this Metal Waste Bin with Push Lid has a generous capacity of 76 litres, yet it is streamlined in design and takes up the minimal amount of floor space.
- Manufactured from robust powder coated steel, this fire-resistant rubbish bin features a galvanised metal liner for quick and easy emptying, a removable lid, and a push flap aperture that closes swiftly after use to keep unpleasant odours at bay.

SPECIFICATIONS

- Powder coated steel construction.
- Suitable for indoor and outdoor use.
- Galvanised metal liner included.
- Fire retardant.
- Available in blue, yellow and grey.
- Total capacity 76 litres.
