## METRO DOME LITTER BIN

# 120L

### FEATURES

- Smart and modern in design, this Metro Dome Litter Bin is available in 19 stylish colour options ranging from classic black to heather violet, and it can be customised with the optional purchase of a galvanised steel or plastic liner, and ground fixing bolts.
- Suitable for both indoor and outdoor applications, as it is made from weather-resistant plastic, equipped with a lift-off lid with two apertures, and features a robust locking mechanism to prevent tampering and unauthorised access.

### SPECIFICATIONS

- Made from Solid Plastic.
- Two Large Apertures.
- Lift Off Lid.
- Can be customised with optional extras.
