MONARCH FREE STANDING LITTER BIN

85L

FEATURES

- Manufactured in the UK from durable, UV stabilised medium density moulded polyethylene (MDPE), it is both fire-retardant and antimicrobial, and it can be customised with a range of options to suit all applications.
- Available with either a plastic or galvanised steel inner liner. It has an open-top to facilitate waste disposal in busy public spaces and, it includes a Tidyman litter label as standard.
