## OIL BIN

# 3L

### FEATURES

- Specially designed for collecting used kitchen oil, our Oil Recycling Bin belongs in every family home. Made from durable, dishwasher-proof plastic, it features a 3-litre receptacle with integrated carry handle, a removable filter to help separate any food remnants from the oil, and a convenient pouring spout with a drip-catch system for mess-free disposal at your local recycling plant.

### Specifications

- Child-proof safety lid
- Removable filter
- Pouring spout with drip-catch system
- Suitable for collecting all types of kitchen oil and fats
- Made from dishwasher-safe plastic
- 100% recyclable after use
