TECHNICAL SPECIFICATIONS

OPEN TOP PLASTIC LITTER BIN

60L

FEATURES

- Manufactured from weather resistant plastic, it features integrated side handles to facilitate emptying, a removable funnel shaped lid with a round aperture, and a streamline design that will complement all public locations.
- With a generous total capacity of 60 litres, this Open Top Plastic Rubbish Bin is ideal for busy areas, and as it can be washed down with regular detergents, it is suitable for use in hygiene sensitive areas too.

SPECIFICATIONS

- Durable plastic construction.
- Removable funnel shaped lid.
- Integrated side handles.
- Also available as a push lid.
