Choice of 30 or 45 litre capacity

TECHNICAL SPECIFICATIONS

PHANTOM SENSOR BIN

30&45L

FEATURES

- Crafted in brushed stainless steel with a fingerprint proof coating to keep unsightly marks at bay, it is available in 30 and 40 litre options to complement all environments and styled to fit neatly in the smallest of spaces.
- What makes the Phantom Kitchen Bin truly unique, is its innovative butterfly aperture that is equipped with a sensor mechanism. This allows it to be opened and closed by simply waving the hand, to provide a more hygienic waste disposal system.

SPECIFICATIONS

- Brushed stainless steel.
- Integrated plastic liner.
- Slim profile design.
