Foot pedal mechanism

## TECHNICAL SPECIFICATIONS

## PLASTIC PEDAL BIN WITH SACKHOLDER

# 60L

### FEATURES

- Manufactured from hard-wearing plastic, it features a foot pedal mechanism for hands-free disposal, and an integrated sack holder to prevent the bin liner from slipping down.
- Designed for daily use in busy family kitchens, offices, fitness studios and beauty salons, this Plastic Pedal Bin with Sackholder is lightweight, easy to clean, and it requires a minimal amount of maintenance to retain its smart clean appearance, so it's a great investment for the workplace and home.

### SPECIFICATIONS

- White Plastic Pedal Bin.
- Integrated Sackholder.
- Wipe Clean Surface.
