TECHNICAL SPECIFICATIONS

PLASTIC PUSH BIN

60L

FEATURES

- Commonly found in offices, schools, fast-food outlets, and commercial premises, it is manufactured from weather-resistant plastic and equipped with a spring-loaded push aperture to keep unpleasant odours and vermin at bay.
- Easy to clean and maintain, this Plastic Rubbish Bin can be washed down with regular detergents to remove germs and bacteria, and it has integrated side handles to make emptying a breeze.

SPECIFICATIONS

- Robust plastic construction.
- Removable lid with spring-loaded push aperture.
- Integrated side handles.
- Easy to clean and maintain.
- Total capacity 60 litres.
- Funnel lid also available.
