POPULAR CHARACTER RECYCLING BINS

42L

FEATURES

- Nine different designs for recyclables, compost, and general waste, and each bin features colourful graphics to help kids recycle with ease.
- They include a galvanised liner as standard, except for the fruit waste receptacle, which comes with a plastic liner that you can rinse with anti-bacterial detergent to keep germs and viruses at bay.

SPECIFICATIONS

- Made from recycled, weather-resistant polyethene.
- Eye-catching graphics to appeal to all ages.
- 9 designs for different types of waste.
