Capacity

Glass fibre composite

Resistance to extreme temperatures

**TECHNICAL SPECIFICATIONS**

## POST MOUNTABLE OPEN TOP LITTER BIN **35L**

### FEATURES

- Manufactured from weather-proof glass fibre composite (GFC), it is highly resistant to rust, corrosion and extreme temperatures.
- Suitable for use both on the high street and along with coastal areas.
- Equipped with a galvanised steel inner liner to facilitate emptying and cleaning, and it has a large throw-in aperture to encourage correct use.

### SPECIFICATIONS

- Glass fibre composite.
- Resistance to extreme temperatures.
- Galvanised steel liner.
- Sandpaper finish.
- Optional, lockable liner.
