POST MOUNTABLE DOG WASTE BIN **56L**

FEATURES

- Designed for public parks, green areas, and high street applications, this Post Mountable Dog Waste Bin provides dog walkers with a practical waste disposal system for pet waste.
- Manufactured from tough 2mm galvanised steel, it features a hinged lid to keep unpleasant odours at bay, a sack retention system to hold the bin bag securely in place, and it comes with a 10-year anti-perforation warranty.
- Offered in bright red and racing green, this Dog Waste Litter Bin complements both urban and rural landscapes, and it can be secure to any post or railing to create a semi-permanent structure.
- An optional fixing post and bolts can be purchased upon check-out, and it is supplied with a 'Clean it Up' vinyl sticker.
