Robust Polyethylene construction

2 x Hasp & Staple locks included

TECHNICAL SPECIFICATIONS

PREMIUM GRIT BIN

400L

FEATURES

- Manufactured from tough medium density polyethylene, this large grit bin is rust, UV and weather resistant, and designed to withstand whatever the UK weather decides to throw at it.
- To ensure the contents remain dry throughout the seasons, it is fitted with a hinged lid and 2 hasps and staple locks to prevent unauthorised access.

SPECIFICATIONS

- Robust Polyethylene construction.
- Total capacity of 400 litres.
- Hinged Lid.
- 2 x Hasp & Staple locks included.
- Weather resistant.
