## ROUND WASTE PAPER BIN

# 50L

### FEATURES

- Ideally suited to offices, schools, and other working environments where large volumes of paper waste are collected, this Round Waste Paper Bin has a generous capacity of 50 litres and a classic design that will complement all interiors.
- Manufactured from hard-wearing plastic, this Round Waste Paper Bin features a large aperture, two handgrips for carrying, and it can be customised with the optional purchase of wheels to create a mobile structure. Available in 4 stylish colour choices, this modern rubbish receptacle is lightweight, easy to clean, and requires minimal maintenance.

### SPECIFICATIONS

- Made from Hard-Wearing Plastic.
- Total Capacity 50 Litres.
- Choice of 4 Colours.
- Personalise with Optional Purchase of Wheels.
