RUBBERMAID INFINITY WALL MOUNTED CIGARETTE BIN

700

FEATURES

- Manufactured from weather-resistant powder coated steel, it features a domed top to keep rainwater at bay, a 360-degree disposal area to encourage correct use, and a stainless steel stubber plate to ensure all butts are fully extinguished before they enter the bin.
- With a generous capacity of 700 butts, this
 Rubbermaid Infinity Wall Mounted Cigarette Bin is
 ideally suited to high traffic areas, and as it is easy to
 clean and maintain, it is a great investment for all
 business premises.
