

## RUBBERMAID METROPOLITAN SMOKERS STATION

Weather and Fire Resistant

Made from Powder Coated Steel

Removable Inner Galvanised Liner

### TECHNICAL SPECIFICATIONS

## RUBBERMAID METROPOLITAN SMOKERS STATION

### FEATURES

- Slim and streamlined in design, the Rubbermaid Metropolitan Smokers Station is ideal for those with limited outdoor space, and as it features a robust weighted base, it is suitable for use in busy public areas such as outside shopping centres, offices, and professional business premises. Easy to empty and clean, you simply unlock the hinged top, tilt backwards, and remove the inner galvanised liner.

### SPECIFICATIONS

- Rubbermaid Cigarette Bin.
- Weather and Fire Resistant.
- Made from Powder Coated Steel .
- Removable Inner Galvanised Liner.
- Can be Ground Mounted (Fixtures Not Included).
