

RUBBERMAID SMOKERS' POLE

Weather and Fire Resistant

Made from Powder Coated Aluminium

Weighted Foot Base

TECHNICAL SPECIFICATIONS

RUBBERMAID SMOKERS' POLE

FEATURES

- Manufactured from hard-wearing powder coated aluminium, it is weather resistant, fire retardant, and it features a self-extinguishing pillar to prevent fire hazards in public areas.
- Ideal for designated smoking areas outside shopping centres, offices, and business premises, the Rubbermaid Smoker's Pole is supplied with a weighted foot base for added stability in high traffic areas, and it is incredibly easy to empty and clean. Simply twist the upper part of the pole to remove it and access the inner liner.

SPECIFICATIONS

- Weather and Fire Resistant.
- Made from Powder Coated Aluminium.
- Space Saving Design.
- Weighted Foot Base.
