## RUBBERMAID BRUTE CONTAINER

# 75L

### FEATURES

- Designed for daily use in demanding working environments such as commercial kitchens, farms, abattoirs, industrial plants, and workshops, this large 75 Litre Rubbermaid Brute Container is USDA meat and poultry equipment listed, compliant with LNE/NSF Standards (grey, yellow and white only), and designed to help business owners comply with strict HACCP guidelines.
- Manufactured from hardwearing break-resistant polyethylene, the Rubbermaid Brute Container is suitable for both indoor and outdoor use, and it is equipped with two integrated handles for added manoeuvrability when full to its 75 litre capacity. Customisable with the optional purchase of a lid, it is available in 4 colours and made for heavy use.
