TECHNICAL SPECIFICATIONS

SEMI PERFORATED WASTE PAPER BIN

10/15/20L

FEATURES

- Manufactured from heavy duty powder coated steel, it is fire resistant, rust resistant, and it will not fade or corrode as other metal rubbish receptacles might.
- Perforated on the upper section only, this stylish Waste Paper Bin can be used with or without bin liners, depending on the type of waste collected, and it can be wiped down with regular detergents to keep germs and bacteria at bay.

SPECIFICATIONS

- Made from Powder Coated Stainless Steel.
- 10, 15 and 30 Litre Options Available.
- Can be Used with or without Bin Liners.
- Rust and Fire Resistant.
- Choice of Colours.
