SIMPLEHUMAN SEMI OPEN ROUND BIN

60L

FEATURES

- Perfect for home kitchens, office environments, and even public washrooms, it is made from hygienic stainless steel and suitable for use with or without a plastic bin liner.
- Modern and contemporary in design, this Semi Open Round Litter Bin will complement all interiors. It features side handles for easy manoeuvring, an easy access lift-off lid, a black non-skid base to prevent slipping on wooden floor surfaces, and a generous capacity of 60 litres.

SPECIFICATIONS

- Stainless Steel.
- Side Handles and Non-Skid Base.
- 10 Year Manufacturers' Guarantee.
- Designed to sit neatly against flush surfaces.
