TECHNICAL SPECIFICATIONS

SQUARE WALL MOUNTED CIGARETTE BIN

FEATURES

- Manufactured from premium quality polished stainless steel, it features a sloped stubber plate to ensure all cigarettes are fully extinguished, a strong wall bracket for mounting on any flush wall surface, and a neat rain cover to keep rainwater at bay.
- Supplied with a cleaning brush and all the necessary mounting materials to install it onsite, this fire resistant Square Wall Mounted Cigarette Bin is a great value solution for outdoor areas where smokers waste is a problem.
