TECHNICAL SPECIFICATIONS

STACKABLE RECYCLING CONTAINER

35L

FEATURES

- Stackable Recycling Containers stack neatly on top of each other while still allowing full access thanks to their front-opening apertures.
- Made from 100% recyclable plastic, equipped with integrated carry handles that lock the lid in place, and they have a total capacity of 35-litres.
- Each bin includes a charcoal base and the coloured lid of your choice, with red, yellow, blue, green, grey, and orange options available.

SPECIFICATIONS

- Made from 100% recyclable plastic.
- Water and UV-resistant.
- Suitable for indoor and outdoor use.
- Integrated carry handle.
- Stackable design.
