STAINLESS STEEL PEDAL BINS

12, 20 & 30L

FEATURES

- A popular choice for bathrooms, kitchens, office spaces, hotel rooms, and professional working environments, they are made from robust stainless steel, equipped with removable inner buckets to facilitate emptying and cleaning, and they come in three sizes, with 12, 20, and 30-litre options available.
- Designed to complement all interiors; these stainless steel pedal bins will never date or go out of style.
- They have an integrated foot pedal for hands-free disposal and integrated carry handles to facilitate emptying and cleaning.
- Whether you are looking for a small cosmetics bin or a standard-size kitchen bin, you'll find it in this popular range.
