TECHNICAL SPECIFICATIONS

STEEL WASTEBASKET

15L

FEATURES

- Simplify your waste management with our 15 litre steel wastebasket, perfect for any room.
- This product is sold as a pack of 10, ensuring that you have enough bins to keep your space clean and tidy.
- Made from high-quality steel, these wastebaskets are durable and long-lasting.

SPECIFICATIONS

- Made from sturdy steel, these wastebaskets are built to withstand daily use and last for years.
- Perfect for daily household waste, this wastebasket has a 15 litre capacity, reducing the need for frequent emptying.
- The smooth steel surface of these wastebaskets makes it easy to wipe clean, ensuring a hygienic waste management solution.
