TECHNICAL SPECIFICATIONS

TRIANGULAR DESIGNER BIN

70L

FEATURES

- Made from matt stainless steel, it features a removable plastic liner, a wide aperture, and a front access panel to facilitate emptying and cleaning.
- To prevent tampering and unauthorised access, this Triangular Designer Litter Bin is equipped with a robust locking mechanism, and it has a large 70 litre capacity to limit the amount of times it needs emptying each day.

SPECIFICATIONS

- Made from Matt Stainless Steel.
- Removable Plastic Liner.
- Large Aperture.
- Front Access Panel.
- Tamperproof Lock.
