TWINGA FLAP LID RUBBISH BIN

45L

FEATURES

- A popular choice with schools, hospitals and leisure facilities, it is made from hard-wearing plastic and designed to hold up to 45 litres of rubbish and household waste.
- Finished in light grey, the Twinga Rubbish Bin features a darker grey flap lid for quick and easy disposal, and a simple round design that will complement all interiors. Practical and affordable, this is a great value option for private residences and professional working environments.

SPECIFICATIONS

- Economy Rubbish Bin.
- 45 Litre Capacity.
- Light Grey with Dark Grey Lid.
- Easy to Clean.
