TWINGA RUBBISH BIN WITH SWING LID

45L

FEATURES

- Manufactured from hard-wearing plastic, it features a lift off lid, a swing aperture mechanism for quick and easy waste disposal, and a classic design that will complement all interiors.
- With a substantial capacity of 45 litres, the Twinga Rubbish Bin with Swing Lid is suitable for daily use in family kitchens and busy public bathrooms, yet it has a diameter of just 37.5cm and requires a minimal amount of floor space.

SPECIFICATIONS

- Swing Bin.
- Plastic Construction.
- Removable Lid with Swing Mechanism.
- Easy to Clean.
