## VISCOUNT ROUND HOODED LITTER BIN

# 130L

### FEATURES

- One of the most versatile rubbish receptacles in our comprehensive collection, this Viscount Round Hooded Litter Bin is made from medium density polyethylene and available in 19 striking colour options to complement both rural and urban environments.
- Equipped with two large apertures for quick and easy disposal, this Viscount Round Hooded Litter Bin features a lift-off lid with a robust locking mechanism to prevent tampering and unauthorised access, and it can be customised with a range of optional extras including a galvanised or plastic liner, ground fixing bolts, and an ashtray.

### SPECIFICATIONS

- Medium Density Polyethylene Construction.
- 2 Large Apertures.
- Lock Included.
- Available in many different colours.
- Integral stubber plate.
